### ILSC LANGUAGE SCHOOLS

Our 5 language schools across Australia, in Adelaide, Brisbane, Melbourne, Perth, and Sydney, offer dynamic language learning opportunities in English. The majority of our students take flexible study programs that allow them to create their study plan as they go, choosing language classes every 4 weeks according to their language level, personal interests, skill progression, and study goals.

**CORE CLASSES:** Core classes provide a strong, comprehensive foundation in the subject area.

**ELECTIVE CLASSES:** Elective classes build on your core learning and enhance linguistic skills through content focused on your particular interests, weak areas, or to help you achieve specific learning goals.

**PROGRAM:** A program at ILSC is the study package you build that meets your interests and helps you achieve your goals. A program can also be a pre-packaged selection of classes created by ILSC.

### GREYSTONE COLLEGE

Our 5 Greystone College campuses in Adelaide, Brisbane, Melbourne, Perth, and Sydney, Australia offer a range of Certificates and Diplomas in Business, Marketing, Leadership & Innovation, Project Management, and Entrepreneurship.

In Australia, students can combine progressive programs to create long-term learning pathways. Australian students can work off campus for up to 48 hours during every two-week period.

**Credit Transfer Programs:** Completion of some Greystone College programs provides students with course credit they can transfer towards bachelor's degree and diploma programs at ILSC and Greystone College's partner colleges, TAFEs, and universities in Australia.
