

Featured staff member:

This month we introduce Monika who is our amazing staff member who answers all your emails within 24 hours. She helps students at the front desk – everything from helping them apply for a visa to assisting them buy a bike or planning a travel trip– there is nothing she can't do. Originally from Slovakia, she has been living in New Zealand for 11 years and has chosen Nelson to be her home. She likes to spend weekends exploring parts of NZ.

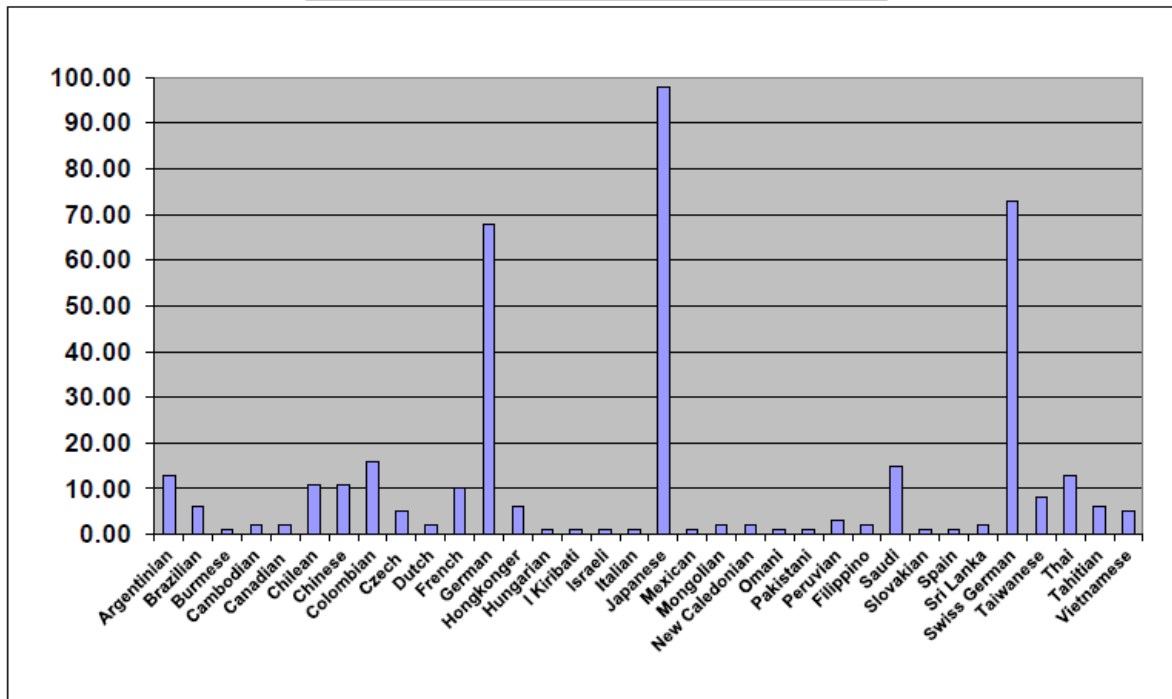

50+ Discover English, Explore Nelson

In August we held our first 50+ programme for the 50+ age group. It was a great success with a lovely group of 4 ladies from Japan, Switzerland, Germany and Brazil. Lifelong friendships were made and different cultures embraced whilst enjoying all that Nelson and Nelson English Centre had to offer (photos below. There are still spaces available for our next programme in February 2026.

From all of us at Nelson English Centre we wish you a Merry Christmas and a Happy New Year
