““One month of studying at Winning English Academy may not be very long, but it has been one of the most valuable experiences for me. I had the opportunity to make friends with many students from different countries while studying here.”

Thái Duy

"Two weeks at Winning Academy in Cebu felt like a colorful dream. I never imagined that learning English could be so enjoyable!... The two weeks at Winning not only helped me improve my English but also gave me wonderful memories and new friends."

Hoàng Phát

"For me, the class schedule at Winning is very manageable. With just 6 periods a day, each lasting only 50 minutes, it's not overwhelming and is enough to keep previous knowledge fresh. The knowledge gained in the morning can be applied in the afternoon, which makes it very easy to remember."
