Student's Feedback

A dynamic environment with friendly teachers and classmates.

The teachers are supportive, and the environment is good. My communication, especially my listening and speaking skills, have gotten much better. With good food and fun places nearby, so you won't feel bored!

Winning is one of the best English schools in Cebu.

I am 45 years old and came here to improve my English skills. At first, I was very shy to talk to my classmates. But over time, I was able to talk with them, have meals together, and hang out. I have friends here, and they don't care about my age.

Policy Updates on Room Availability & Class Conversions

Dear Valued Partners,

We would like to inform you of important updates regarding room availability and class conversion policies at Winning English Academy. Please take note of the following changes:

1. Triple Room Availability – Low Season

During the low season, triple rooms will no longer be available. Kindly ensure that all consultants are informed accordingly to avoid any booking issues. This new policy will be effective on enrollment after **MARCH 10 2025**.

2. Class Conversion Policy – Peak Season

- During the peak season, we will not allow the conversion of **TWO group classes** into **ONE one-on-one class**.
- Additional classes cannot be added beyond the initial enrollment. However, students may enroll in a more intensive course (e.g., ESL4 → Power Speaking) while maintaining the same balance of one-on-one and group classes.
- Class type remarks can be updated, but the original one-on-one/group ratio must remain unchanged.

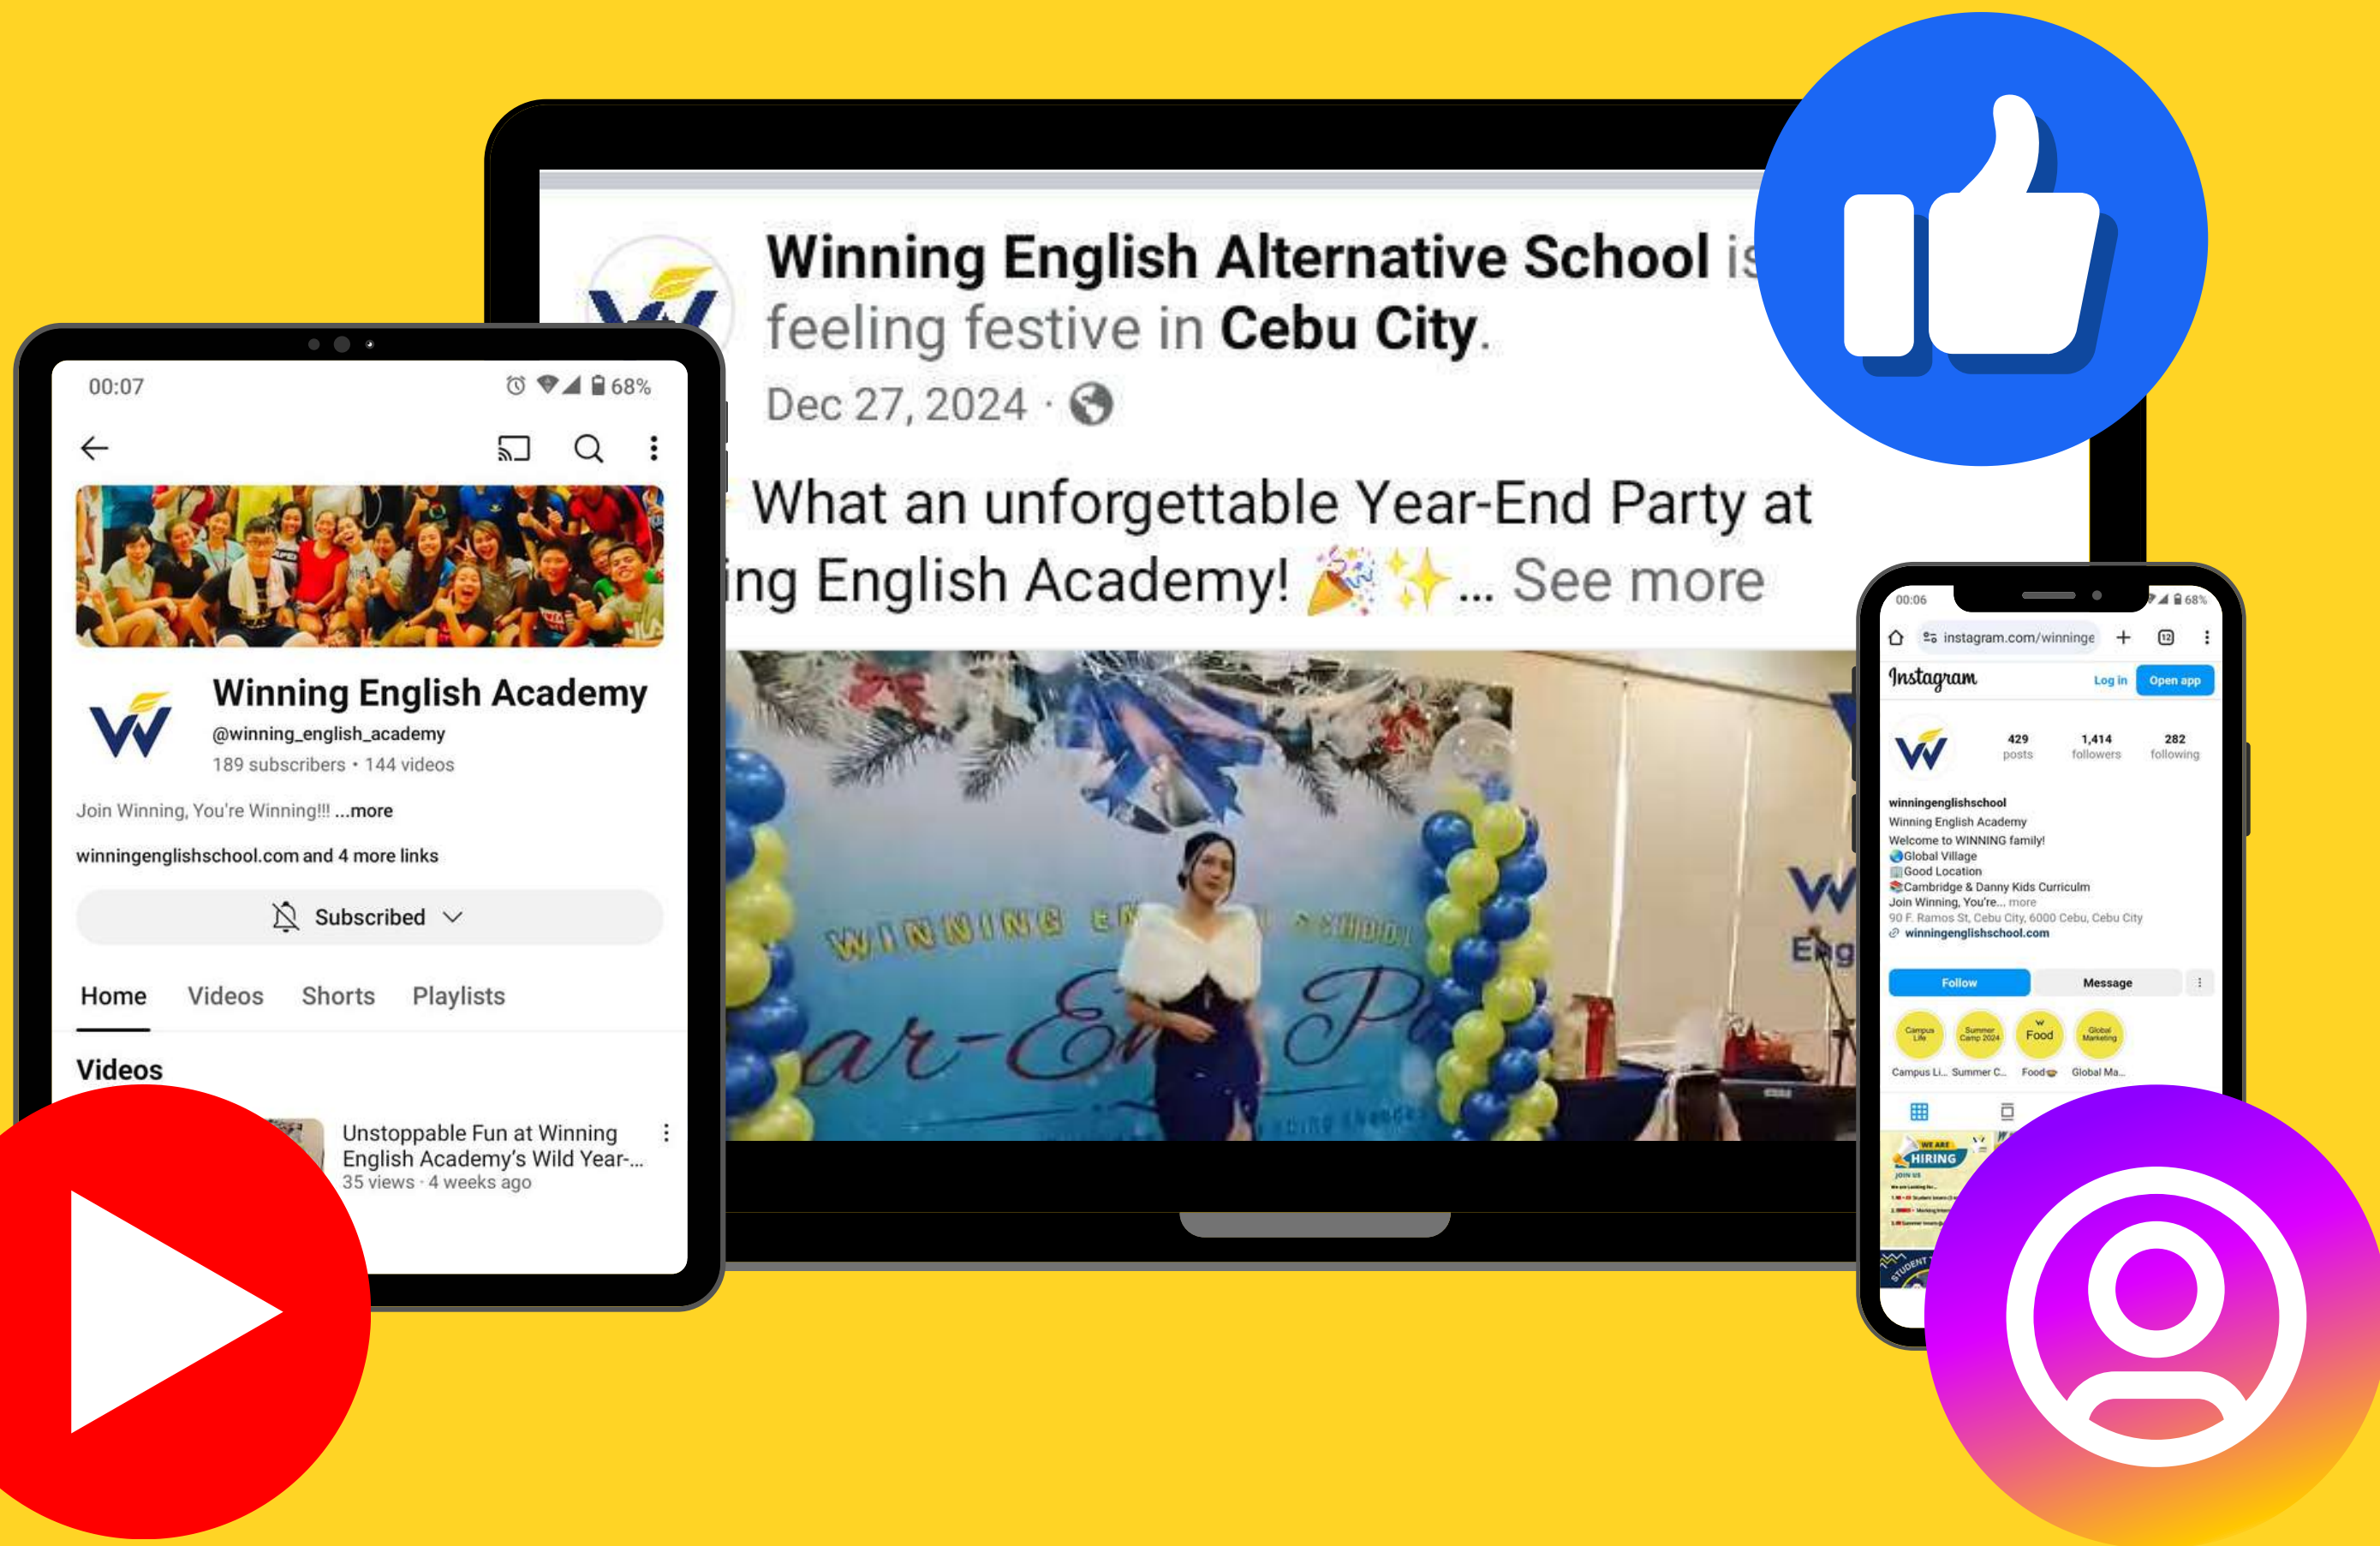

We appreciate your cooperation in implementing these policies and ensuring a smooth experience for all students. Should you have any questions, please feel free to reach out. Please let us know if you have any special cases that need our flexible actions.

Best regards,

Winning English Academy
