

A vibrant water park scene featuring a red and blue slide system. The slide starts with a red tube that curves through the air before dropping into a blue pool. The pool is surrounded by lush greenery, including palm trees and other tropical plants. The sky is overcast with grey clouds. The overall atmosphere is bright and refreshing.

MARCH AND APRIL

I just want to take a moment to say a heartfelt thank you to every one of our teachers, staff, and partners. Your passion, your grind, and your heart for what we do show up in a big way every single day. The ripple effect of your work is massive. Together, we're not just showing up. We're building something meaningful, something that lasts. Let's keep growing, learning, and pushing for impact.

The way you show up for our students matters more than you know.

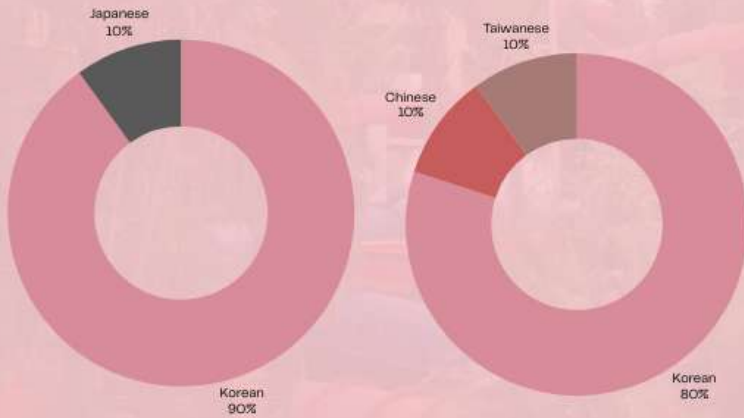

I see you. I appreciate you. And I'm proud to be in this with you.

## March and April 5-Star Reviews

I applied for a 1-month IELTS course during the off-peak season. The quality of English classes is good because there are both Filipino and native teachers who have worked here for a long time!

The accommodation is clean and has cleaning and laundry services, and the restaurant has an open kitchen where the food is clean. Above all, it was great that the office always provided support for my personal needs so I could focus on studying English :)

The Ate and Kuya people who work are all friendly. Thanks to you, I stayed safe in a clean place!

Hana Academy is a fantastic school with a warm and welcoming atmosphere. The Korean-style food is not only authentic but also suits Taiwanese tastes perfectly. Kids love the engaging learning environment, and the teachers are kind and supportive. The Japanese manager handles everything quickly and accurately, ensuring a smooth experience for parents and students. Highly recommended!
