PILA Education

## The opening date of our new building is approaching!

The new facility will have a total of six floors, featuring a restaurant, laundry room, café, self-study room, offices, M:M and group classrooms, IELTS and TOEFL test room, a function room, and more. Each floor will be able to accommodate approximately 70 to 80 students.

We look forward to welcoming you soon in this exciting new environment!

## Introducing the M:M Classrooms in Our New Building

The newly opening M:M classrooms are designed for students and teachers to sit face-to-face. Each room is fully enclosed, providing a quiet environment with minimal noise. The rooms are also spacious and comfortably designed to enhance the study experience for our students.

## Quad B,C Dorm Shared Bathroom Renovation Plan

To provide a more convenient and comfortable environment for our students, we will be renovating the shared bathrooms in the Quad dorm rooms.

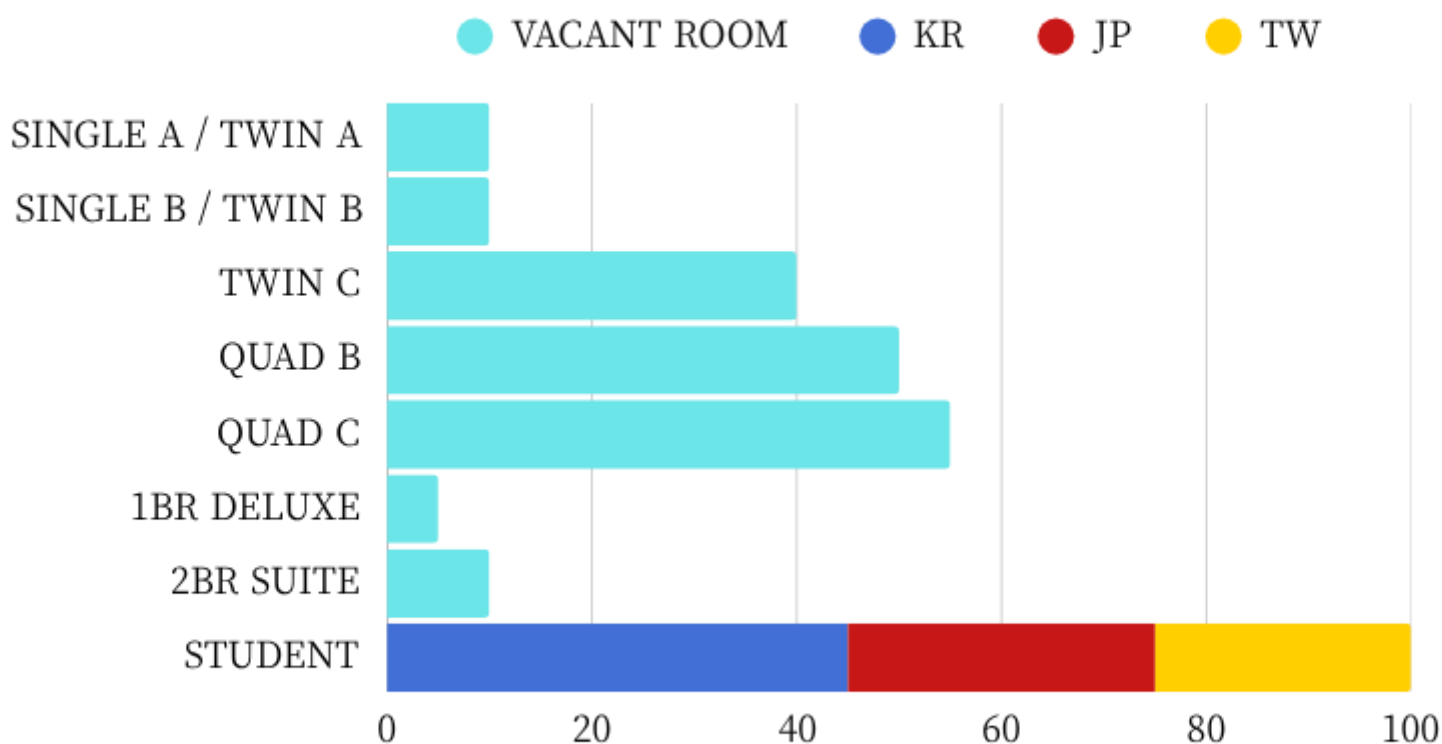

The renovation will begin in June and will be carried out floor by floor, starting with the floors that have no students.

Students on the affected floors may be required to move rooms during the renovation.

UPDATED ON JUNE.1
