EXCITING NEWS: DISCOVER ENGLISH NAMED THE PIEONEER AWARDS FINALIST!

Dear Partners,

We are proud to share that Discover English has been shortlisted as a finalist in the prestigious 2025 PIEoneer Awards – in the category of Language Training Provider of the Year!

This global recognition honours our innovative approach to student experience, particularly our ground-breaking 2024 initiative, “Daborra-ma: Creating Cultural Connections and Belonging through Storytelling and Sport.”

Delivered in partnership with the Fitzroy Stars Football and Netball Club and co-funded by the Study Melbourne Inclusion Grant, this program connected over 300 international students to First Nations culture and Australian Rules Football, helping them feel at home in Australia while improving their language skills in real-world settings.

At Discover English, we believe language learning goes beyond the classroom. This finalist recognition reinforces the exceptional quality and care we offer every student – and affirms the trust you've placed in us.

Located in the heart of Melbourne, we remain committed to delivering transformative learning experiences that your students will remember for life.

Thank you for your continued partnership and support.
