**FROM B'CEBU
DEAR VALUED PARTNERS,**

Warm greetings from B'Cebu Academy.

Since opening our doors in July 2023, B'Cebu has grown steadily, thanks to your trust and continued partnership. This journey would not have been possible without your unwavering support.

And now, in July 2025, we are proud to announce that we have reached a new milestone — over 600 students study in B'Cebu at the same time. This achievement is the result of not only our team's dedication but also your belief in what B'Cebu stands for.

We sincerely thank you for being a part of this journey. Moving forward, B'Cebu is committed to delivering results that exceed expectations and continuing to earn your trust — every step of the way.

With gratitude,

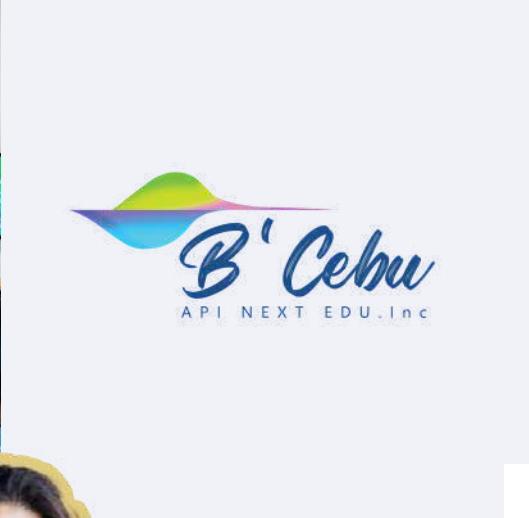

— B'Cebu Academy

Learn, Connect, Engage

At B'Cebu, we go beyond being just a language school. We are a community where students from different countries come together to learn, live, and grow. Our goal is not only to improve students' English proficiency but also to provide meaningful experiences that support their personal growth.

With this vision in mind, we have continued to enhance the quality of both our academic and living services, while creating more opportunities for meaningful interaction through unique activities.
