

CHILDCARE PACKAGE JOB PATHWAY PROGRAM

About the Program

The Job Pathway Program connects eligible students studying Childcare at Imagine Education with real industry experience and guaranteed work opportunities. Students complete essential pre-employment training, gain practical experience through supervised placements, and transition into paid work through our trusted childcare agency partners.

Placement & Employment Process

STEP 1 Visa Verification: Once visa status is confirmed (offshore visa granted or onshore verified).

STEP 2 Pre-Employment Modules: Completion of 10 online modules (20–30 mins each) covering Child Protection and compliance topics.

STEP 3 Blue Card Application: Campus staff assist with applications (if required) and confirm study days.

STEP 4 2-Week Induction: Unpaid induction/training period in a childcare centre to gain hands-on experience.

STEP 5 Paid Employment: Upon successful completion, transition into paid work (approx. 24 hours/week) across one or more centres.

STEP 6 Ongoing Support: If additional experience is required, alternate placement or training support is provided.
