Student's Feedback

Studying at **WINNING** is an experience I'll never forget

My cousin studied here before, and he shared to me his good experience at WINNING. I've improve a lot and feel confident speaking with other people. All the teachers here are friendly and kind. I can recommend WINNING to ALL my friends and family.

My advice: don't be afraid of mistakes.

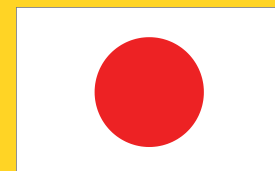

I studied at Winning in April 2025, and it was a great experience—my English improved a lot, and I made many international friends. Now I'm back as the Japanese Student Manager, helping new students adjust, translate, and communicate with the staff. Speak as much as you can—Winning is a safe and friendly place to grow.

My teachers are motivated, flexible, and energetic.

I chose it because a friend recommended its affordable price and clean, convenient facilities. I've become more confident and fluent since coming here. My best memory is the Halloween party with fun costumes and activities. I recommend studying English at Winning School.

Inside the circle, the words "School Updates" are written in a bold, dark blue, sans-serif font. To the left of the circle, a dark blue megaphone is shown, angled towards the center. The background is decorated with several stylized books in various colors (yellow, purple, orange) and orientations, some open and some closed. Small, colorful dots (orange, blue, purple) are scattered throughout the scene.
