Dear Valued Partner Agencies,

Warm greetings from Philinter Academy.

We would like to extend our sincere appreciation for your continued trust and partnership. Your support has been instrumental in helping us provide high-quality English education and a safe, nurturing environment for students from around the world.

To continue delivering the level of academic excellence and student services that Philinter is committed to, we will be implementing a tuition fee increase effective **January 1, 2026**. This update ensures that we can maintain the strength of our programs, enhance our facilities, and further enrich the overall learning experience of our students.

As part of our support for your marketing promotions, **students who register on or before December 31, 2025 will continue to receive the current 2025 tuition rates and existing promotions.**

We kindly ask for your understanding and assistance in communicating this change to your students and counselors. Please be assured that Philinter remains dedicated to offering effective programs, guaranteed progress pathways, comfortable accommodations, and a vibrant international community.

Thank you once again for your continued cooperation and for being an important part of the Philinter family. Should you have any questions or need further information, we are always here to support you.

Warmest regards,

**PHILINTER ACADEMY**
