

Australia OSHC Price Increase from June 30, 2026

Bupa, our third-party provider of Overseas Student Health Cover (OSHC) in

Australia, will **increase prices effective June 30th, 2026.**

From **June 1st, 2026**, ILSC Language Schools, Greystone College and Greystone Institute will begin charging the **new rate for all newly registered students with start dates on or after June 30th, 2026.**

Students who register by May 31st will have the opportunity to secure the current rate by paying in full before the June 30th, 2026 deadline – our team will reach out to coordinate this option for those who qualify. As of June 30, 2026, anyone with an outstanding payment will be required to pay the new rate.

Please note, **if a student changes their coverage duration after payment has been made, the new OSHC price will be applied to the entire coverage period,** and any applicable difference will need to be collected.
