ZUMBA SESSION

On September 30, CIJ students and staff came together for a fun and energetic Zumba session. After spending the day focused on their English studies, everyone had the chance to step away from the classroom, get active, and enjoy some music together.

GRADUATION CEREMONY

This time, students from Arabian countries and Korea came together to mark this important milestone. Throughout their time at CIJ, they worked hard in their English classes, challenged themselves to communicate in English, and made new friendships with people from different cultural backgrounds.

The ceremony was filled with smiles, applause, and memorable moments as students received their graduation certificates and celebrated their achievements with their teachers, classmates, and CIJ staff.

“

CIJ Zumba Day and an After-Party Every Wednesday Every moment at CIJ Academy in Cebu, Philippines, feels special, but Wednesday evenings are undoubtedly the liveliest and most energetic time of the week. That is when the entire academy comes alive for its weekly Zumba dance session.

It may feel a little awkward at first, but once everyone begins following the instructor's energetic rhythm and dancing together, the sweat soon starts to form and all the stress simply disappears. Regardless of age or nationality, everyone moves to the same rhythm, laughing and enjoying the moment as one. It is truly a special experience. ”
