STUDENTS REVIEW

STUDENT | KWAK JIHYE

“

The teachers are truly outstanding. None of them simply go through the motions, and every one of them is full of enthusiasm. At other academies, I occasionally encountered tutors who seemed unmotivated or were merely passing the time, but not one of my nine tutors here is like that. Not even one!

A Surprisingly Serious Study Environment. What surprises me most is the strong academic atmosphere. I have never seen so many senior students study with such enthusiasm.

My energy is already running low, but I love both the intensive learning environment and the passionate teachers. I will stay focused and do my best until the end of my remaining six weeks!
