3RD WEEK OF OCTOBER

## NEW STUDENTS

We're excited to welcome our new students as they begin their English-learning journey with us. We hope you'll improve your English, make friends from around the world, and create wonderful memories during your stay. Make yourself at home and enjoy every moment at CIJ!

# CIJ DORMITORY

## TRIPLE ROOM

Our triple room offers a comfortable and practical living space shared by three students. With individual beds and personal study areas, students can enjoy a relaxing environment for both studying and resting while making new friends during their stay at CIJ.

## TEACHER'S CORNER

“

*Teaching grammar at CIJ has been a rewarding experience. I enjoy helping students understand English grammar and showing them how to use it in their daily conversations.*

*Sometimes, students find grammar challenging, but it's always nice to see them gradually understand the lessons and become more confident in using English. Every student learns differently, so I try to make my classes easy to understand and enjoyable.*

*One of the best parts of teaching is seeing students improve little by little. I'm happy to be part of their learning journey here at CIJ! ”*

TEACHER DAVE

## STUDENT'S REVIEW

“

*The school has a wonderful environment, located near the sea and featuring swimming pools. Enjoying the beautiful scenery every day always puts me in a good mood.*

*English is the only language allowed on campus, and I have one-on-one classes every day. The teachers are very patient, and I can ask them questions whenever I don't understand something.*

*We also take vocabulary tests every day, which motivates me to keep studying and learning new words.*

*There are students from many different countries, and we study and live together. Besides our regular classes, I sometimes join school-organized group activities on weekends. Spending time with people from different countries also gives me the opportunity to learn about and experience different cultures.*

*After a few weeks of studying, I've noticed some improvement in my English, and I feel more confident speaking it than when I first arrived. I'll continue to study hard and work toward making even greater progress! ”*
