Attendance: Attended **99** · Late **1** · Absent **0** (of 100 daily reports · 100% present)

Class Attitude — average 87 / 100 (Good)

How the student engaged in class this month, graded by the teacher each day (A = Excellent · B = Good · C = Fair · D = Needs improvement), then averaged out of 100.

ATTITUDE AREA	WHAT IT MEANS	SCORE	RESULT
Devotion	Effort, focus and dedication during the class	**84 / 100**	Good
Participation	Actively joining activities and speaking up in class	**84 / 100**	Good
Behavior	Politeness, cooperation and classroom manners	**100 / 100**	Excellent
Understanding	How well the lessons were understood	**84 / 100**	Good
Homework	Completing assignments on time and with care	**84 / 100**	Good

Teacher's comments: Settled quickly into the IELTS routine. Listening and reading improved steadily; writing still loses marks on task response and word forms. Vocabulary group work is paying off in speaking.

Month 2 • 2026-09-06 - 2026-10-03 · Level: INTER 1 → INTER 2

6 · OVERALL EVALUATION

> Sample B is a focused, self-directed learner. Over twelve weeks her IELTS mock score rose from 5.0 to 6.5, with the biggest gains in listening and writing. She prepared for every class, kept a vocabulary notebook and asked for extra feedback on her essays. Recommended: sit the official IELTS test within a month while the timed-practice routine is fresh.
