Re: Changes in the Local Fees

Date: July 12, 2024

Dear Partners,

Cebu International Academy would like to inform you that starting August this year, there will be changes in the local fees.

As you might have known, the Philippine Bureau of Immigration implemented a new requirement for foreign students in the country which is the E-Card. In response to this, CIA will start collecting payments for the E-cards processing of students arriving from August 1.

For your reference, kindly check the information below.

1. SSP E-CARD

Who: All students regardless of study duration.

Amount: P 4,000 (will be processed together with the SSP)

2. ACR I-CARD

Who: Students who are staying in the Philippines for more than 8 weeks.

Amount: P 3,500 (old price) → P 4,000; One-time payment

We are extending our deep gratitude for your nonstop cooperation and dissemination of information regarding this matter.

CIA looks forward to a stronger partnership with you.

Sincerely,

Cebu International Academy Management
