STUDENT'S REVIEW

KIM JIHYUN
Student

When I first came here, I could only put random words together and speak awkwardly. The teachers were always busy correcting my sentences.

These days, though, whenever I speak, my teachers often shout, "Perfect!"

They tell me how much I've improved, and hearing their compliments makes me feel proud of my progress. It has also given me a lot more confidence.

Of course, I'm still far from perfect, but compared to the uncertainty and frustration I felt at the beginning, I'm now enjoying the process of steadily building my skills and learning useful expressions step by step.

Every day, I learn a little more, improve a little more, and gain a little more confidence.

These days, that feeling of growth makes me genuinely happy.

Thank you to all the teachers and friends who have been part of this journey. These memories will stay with me long after I leave.
